

## Screening Procedures for Spectators

Security screening at Sun Life Stadium will be significantly heightened for the Super Bowl. Many items usually permitted in NFL events will not be allowed into the Super Bowl. The National Football League and the Police Department strongly recommend that spectators minimize the number and size of all items carried into the Stadium.

All items carried by spectators will be carefully inspected and potentially not allowed into the Stadium. Spectators are urged to bring nothing larger than a very small purse or bag. The NFL, Sun Life Stadium and the Miami Dade Police Department will not hold prohibited or excluded items for spectators.
